

## RACE IS ON!

### Campaigning On As Posters Appear Today

The muffler on the until-now subdued roar of election frenzy was scheduled to explode into air today as candidates got the go-ahead to put up campaign posters and the first absentee ballots were to be cast.

"Most of the campaign posters usually are up by the first of the opening day," Stan Croonquist, Student Court chief justice said Friday. Posters may remain up until 6 p.m. Friday, he said.

Absentee balloting was to go into effect today for the first time in SJS history for persons who will not be on campus next Thursday and Friday. Balloting takes place in the Student Union.

Anyone who believes he is a candidate for spring elections and whose name did not appear in the list of candidates published in Friday's *Spartan Daily*, should check with the Student Union receptionist, Croonquist said.

All candidates who have not already come to the *Spartan Daily* Office for interviews must do so by 3 p.m. today. Unless this deadline is met, platforms will not appear in the election issue.

### Largest Blood Donation to Get APhiO Trophy

Alpha Phi Omega will award a trophy to the organization, living group, fraternity or sorority donating the largest amount of blood, percentage-wise, for the May phase of the Campus Blood Drive, according to Bob Peeks, chairman of the drive.

Members of APhiO will accept signatures of donors in the Outer Quad Monday, Tuesday and Wednesday. On Wednesday, blood donations will be taken in the Student Union.

Fraternity members are canvassing all living groups to publicize the drive. It is the aim of APhiO to surpass last month's total of 214 accepted contributions, Peeks said.

"Donors will receive a Blood Credit Club card indicating membership entitling bearer and his immediate family to draw blood against the credit of this college group," Peeks stated.

So far, there haven't been any calls to the Blood Credit Club, but it is available, Peeks said that your blood account can be transferred almost anywhere. There is no charge for the blood when you need it, if you are a member.

### Cap, Gown Sizes Scheduled Today

Seniors are scheduled to be measured today in the *Spartan Shop* for caps and gowns to be worn during commencement, according to R. M. Atkinson, *Spartan Shop* manager.

Measurements will be taken at the shop through Wednesday.

A fee of \$5.50 must be paid at the time measurements are taken, Atkinson explained. Two dollars of this fee will be refunded when the cap and gown are returned.

Personal name cards to accompany graduation announcements must be ordered this week, he said. Both printed and engraved cards are available. Announcements will be available May 23.

### 10 Tons of Paper Collected by Frosh

The Freshman Class Paper Drive ended Friday with more than 10 tons of old papers expected to be collected, according to Ted Terzakis, who is in charge of tying and bundling the paper.

With six sections of San Jose covered by the drive, the only freshman public fund-raising drive is considered to be a success.

Terzakis explained that the paper will be sold to a bay area paper company when it is tied, bundled and stacked.

## 800 J.C. Students Meet Here Today

Approximately 800 junior college students are scheduled to fill SJS buildings today for a Junior College Choral Conference.

The choral groups will sing in Morris Dailey Auditorium and in the Music Building Concert Hall from 1:15 to 3:30 p.m. The combined choruses will present "The Last Words of David," by Randall Thompson, at 3:30 p.m. in the Morris Dailey.

The musicians will hear a program by the SJS A Cappella choir, directed by William J. Erlendsen, and several student soloists tonight in the Morris Dailey.

Schools participating in the conference are Vallejo, West Contra

Costa, Hartnell, Napa, Oakland, San Jose, Modesto, Santa Rosa, Monterey Peninsula, Sierra, Shasta, San Mateo, Yuba and Menlo junior college.

Mu Phi Epsilon, national music sorority, will present a program tomorrow at 8:15 p.m. in the Music Building Concert Hall.

### New Building Will Provide Two Contracts

Two phases will mark the construction of the new Science Building, one beginning late this summer, Executive Dean C. Grant Burton announced yesterday.

Two different contracts on the building will be awarded, one for the basic preparatory work and a second for the superstructure.

Pile driving will begin the end of July or the first of August, followed immediately by excavation and the pouring of foundations.

The second phase of the building program will begin when the contract for the superstructure of the building is awarded sometime around Christmas. The state will file its estimate of the cost of the work Sept. 16 and will begin receiving bids Nov. 16.

### Campus Chest Reckoning Due

The final tally on funds collected in the Campus Chest Drive should be available today, according to Joan Uhrich, chairman of the drive.

To date the amount collected is \$460.44 but this excludes any amount which has been pledged, she explained. All pledges must be fulfilled by Friday.

The goal of the drive was \$2000 and with the additional revenue yet to be turned in the committee is hoping to bring up the total to at least \$1000, Miss Uhrich said.

The committee owes special thanks to those students and organizations who participated in the drive and gave such strong support to the special event fund campaign, Miss Uhrich added.

"Although we did not attain our goal of 2000, we feel that the drive has been successful in including a large number of participants. Next year when the personal solicitation program is better known, I feel sure the drive will surpass this year's total," Miss Uhrich stated.

### Weather Ways

"Today my personal astrological report says that by showing yesterday's achievements to an expert I may have rewarding results," besmirked the ambitious sand flea. (Maybe I should run my campaign platform in the *Spartan Daily*!)

Not so rewarding was the teletype machine, spoke a musical fiddler crab, "no astronomic predictions, but I would venture to guess that we have 'weather' today."

## Pick Band Today

### Discussion Of Senior Dance Plan

Seniors are scheduled to select an orchestra for the Senior Ball at today's class meeting in Room 127 at 3:30 p.m., according to James Jacobs, class co-adviser.

Details for Parents Day, Thursday, June 16, also will be worked out during the meeting, he said. Letters inviting parents of seniors to the event will be sent out later in the week.

A progress report on the Senior Booklet will be made at the meeting, he said.

Jacobs announced that class representatives will meet Friday to interview a possible Senior Banquet speaker.

### FRESHMEN DISCUSS MIXER

Nominations for the class Representative to the Student Council and the Sophomore-Freshman jointly-sponsored Mixer will be discussed at the Freshman Class meeting today at 3:30 p.m. in Room 117.

After the meeting, Ted Terzakis, class council member, said, the freshmen will be asked to come over to the Phi Sigma Kappa house to finish tying the papers collected from the paper drive last week.

### JUNIORS MEET TUESDAY

The Junior Class decided to move the date of their regular meeting in Room SD-116 Monday afternoon to an unannounced time and place Tuesday, according to Bob Lindsey, class president.

Dr. William Vatcher, instructor in political science, will address the class and present movies of Japan at this meeting, Lindsey said.

In his report of the Junior Prom, Don Abinante stated "Everyone had a fine time, and commented upon the excellent music provided by Phil Bovero and his orchestra."

"In spite of the lack of response which resulted in putting the affair in the red," Abinante remarked, "we must consider the Prom a success from a social viewpoint for those who attended."

### REPORTS ON POLL

Reports from the Sophomore student apathy election poll will be given in Sophomore Class meeting today, according to Larry Conterno, class vice president.

Sophomore candidates running for ASB offices will be introduced at the meeting, and plans for the Frosh-Soph Mixer will also be discussed.

All sophomores are urged to attend the meeting at 3:30 p.m. in Room S-112.

## 'Lifetime' Opens Friday To Capacity Audience

By ELEANOR NORRIS

A combination of India nuts, typical Hollywood characters and high good humor all resulted in a hilarious first night for "Once in a Lifetime," Speech and Drama Department production which opened in the old Little Theater Friday night.

A capacity audience rose to amused response as the fast-moving satire on Hollywood in the early days of talky movies rolled to its successful ending.

Leading the talented cast in the Moss Hart, George S. Kaufman comedy on the antics of strictly Hollywood characters were Sandra Teboe as May Daniels, female member of an opportunist New York dance team, Darwin Hageman as Jerry Hyland, and Kenneth Rugg as George Lewis.

Leslie Robinson as Helan Hobart, leading movieland columnist, James Dunn as Herman Glogauer,

and Marilyn Johnson as Susan Walker ably contributed to the smooth performance.

Costumes of the flapper era were designed by Miss Berneice Prisk, while sets representative of the fabulous '20's were done by Harrison W. McCreath. Staging was by Rollin E. Buckman, and James Lioi did scene construction.

John R. Kerr directed the production, which will continue its run Wednesday, Thursday, Friday and Saturday.

### Rev. Walz Speaks

"Hold Fast to Your Fate," will be the topic of an address by the Rev. Erwin G. Walz, pastor of Holy Redeemer Church, at Tuesday's 9:30 a.m. chapel service in Memorial Chapel, according to Georgia Cooley, chairman of the chapel committee.

## Editorial

## ASB politickin' royal begins today

Politickin' and hand-pumping royal kick-off in earnest today as candidates begin to prep you, the voters, for the ASB elections Thursday and Friday.

For the first time since way back when, "friends" of yours who are running for office will give you that ole smile (which gets wider as ballot time draws near) in an effort to get your vote.

Well, don't give in easily. Play hard to get. Make each candidate show you what he plans to do for you if he gets into office. He needs your vote, so look him over closely, and be sure that the best person gets into office.

Look into campaign promises, then discard the rash ones. Evaluate the promises, the qualifications and, above all, the person.

A few of the persons running for office are not as qualified as some of the others. That's the question you must decide upon. Choose wisely.

## Faculty Members Urged to Develop Selecting of Books

Faculty members were urged to develop methods of book selection in the April 28 report of the faculty Council's College Library Committee.

The report advised departments to establish and keep up to date a basic collection to serve the needs of the department. The recommendation was made so that the school would be provided essential materials for new courses and curricula and to eliminate any serious gaps.

The group also advised departments to set up a departmental policy for the discard of books.

This general recommendation was made following a study of the proposed library budget for San Jose State.

## AWS-WAA Unite To Hold Barbecue

All women students are invited to attend the annual AWS-WAA Cat's Meow barbecue to be held Wednesday evening at 5:30 o'clock at the barbecue pits in front of the Women's Gym.

Entertainment will be featured by AWS and WAA members. Candidates for AWS offices will be introduced.

Price of the dinner is 50 cents.

## Prof Is Featured In Current Life

A visit of Dr. William Hermanns, SJS assistant professor of modern language, with the late Dr. Albert Einstein several months ago is described in the current issue of Life magazine.

Accompanying the story is a picture of Dr. Hermanns with Dr. Einstein. Dr. Hermanns teaches German here. Dr. Hermanns' friendship with Dr. Einstein dates from 1930 in Germany when he helped save the physicist from an assassination plot. Dr. Hermanns relates.

## Registration Starts For Nature Class

Registration began at 8:30 o'clock this morning for Summer Sessions of West Coast Nature School in Room S-123. Three sessions are scheduled this summer and two quarter units may be acquired for each six days session. Dr. Gertrude W. Cavins, secretary and registrar of the school, stated.

There is a \$10 tuition fee plus \$5 non-returnable registration fee for each session. The three sessions are: Sequoia National Park, June 19-25; Fallen Leaf Lake, June 26-July 2; Cambrian Pines, July 3-9.

## Thrust 'n' Parry

## Any Ideas?

Dear Thrust and Parry:

At the present time there is a bill pending before the state legislature that would remove all state colleges from the jurisdiction of the State Board of Education, and transfer their control to a new board comparable to the regents of the University of California. I feel that the State Board of Education has not given enough time to the state colleges, because they have to devote more time to primary and secondary education. In fact, last year, state college matters were discussed only about four times before the State Board of Education.

Here is an opportunity to get educators who really have the time and interest to administer a state college system and to gain freedom from domination by politics. I would like to hear opinions on this subject from other people in this column.

## Reed Material Editing Begins, Wood Directs

Selection of material for "Reed," literary magazine, has begun in preparation for the May 18 publication, according to Miss Dorothy Pritchard, president of Pegasus, the literary group which writes and edits material for the "Reed."

An editorial class under the direction of Dr. James O. Wood, English professor, work on the magazine. Members of the class are Julia Bolton, Alexandra Christensen, Janet Ellingson, Barbara Gullo, Audrey Joseph, Ted Maass, Neva Nelson, Gary Park and Lani Tintman.

The magazine is entirely student written and material accepted makes the author eligible for Pegasus, according to Miss Pritchard.

For economy and efficiency, use electric appliances in mid-morning or mid-afternoon when there generally isn't as heavy a demand on current.

## Seven Candidates In Queen Finals

Seven candidates in the Military Ball Queen contest were notified of their advance to the finals last night by telegrams from the Cadet judging committee.

The girls selected for the finals are Trish Meyers, Ann Whitten, Joan Oeser, Nadine Fidel, Sandy Keeney, Shirley Richardson and Jane Dickson. The name of the Queen will not be revealed until the night of the dance May 14.

A dinner honoring the seven finalists will be held May 4 at the Mofett Field Officers' Club.

## Plans Conference

Joe H. West, dean of students, returns from a two week absence today and begins preparations for a Dean of Students Conference to be held here Thursday and Friday. While he was gone, West participated in an articulation conference in Los Angeles.

## THE GIFT HORSE

Many of our friends will soon be graduating. What kind of gifts should we give them?

Here is no simple question. It is never simple to find gifts for people who have everything, and college students, as everyone knows, are the most richly endowed of mortals. They've got beauty and truth. They've got rhythm. They've got stout hearts, willing hands, and a clear vision that dispels the miasmas of the future as the morning sun sears away the last wisps of a cool night's fog. They've got heaps and heaps of money, as who would not who has been receiving such a huge allowance over four years of schooling?

What can we give them that they don't already have?

One infallible gift for the person who has everything is, of course, a stethoscope. New models, featuring sequined earpieces and power steering, are now on display at your local surgical supply house. Accompanying each stethoscope is a gift card with this lovely poem:

When you hear your heart beat,  
When you hear it pound,  
Remember me, your buddy,  
William Henry Round.

If, by some odd chance, your name does not happen to be William Henry Round (you're laughing, but it's possible), here is another dandy suggestion for the person who has everything — a gift certificate from the American Bar Association.

These certificates, good at your local lawyer's, come in three convenient sizes: small, medium, and large. The small certificate covers title searches and writs of estoppel. The medium size covers torts, claim jumping, and violations of the Smoot-Hawley Act. The large one covers kidnapping, murder, and barratry.

If, by some odd chance, you don't know what barratry is (you're laughing, but it's possible), it is arson at sea. This interesting crime is called after Cosmo "Bubbles" Barrat, a captain in the British navy during the last century, who was addicted to burning his ships. One man o' war after another fell victim to his incendiary bent. The Admiralty kept getting crosser and crosser, but every time they called in Captain Barrat for a scolding, he would roll his big blue eyes and tug his forelock and promise faithfully never to do it again. Oh, butter wouldn't melt in his mouth, that one!

So they would give him another ship, and he would soon reduce it to a scattering of charred spars. He burned more than 120,000 ships before he was finally discharged as "doubtful officer material."

After his separation from the navy, he moved to Vienna where he changed his name to Freud and invented Scrabble.

But I digress. I was listing gifts for the person who has everything, and here is another one. This gift, in fact, is not only for persons who have everything, it is also for persons who have nothing, for persons who have next to nothing, for persons who have next to everything, and for persons in between. I refer, of course, to Philip Morris cigarettes. Here is the cigarette for everybody—for everybody, that is, who likes a mild relaxing smoke of fine vintage tobacco in a handsome brown package that snaps open with the greatest of ease. For those, if such there be, who like dull, nondescript tobacco in a package that requires a burglar's kit to open, Philip Morris is definitely the wrong gift.

Among the newer gifts that warrant your attention is a revolutionary development in the enjoyment of recorded music. This is the Low-Fi Phonograph. The Low-Fi, product of years of patient research, has so little fidelity to the record you put on it that if, for example, you put *Stardust* on the turntable, *Melancholy Baby* will come out. This is an especially welcome gift for people who hate *Stardust*.

Finally there is Sigafos Shaving Cream, a brand new kind of cream that makes whiskers grow in instead of out. You just bite them off in the morning.

©Max Shulman, 1955

To Max's suggestion to give PHILIP MORRIS for graduation, the makers of PHILIP MORRIS, who bring you this column, add a hearty amen.

## Dane Praises SJS Ed Plan

"One of the best," was the appraisal of SJS elementary education by Dr. Laurides B. Adolphsen, Friday, upon completion of his two-day visit to the campus.

The Danish educator, from Tonder State College, Tonder, Denmark, was much impressed with the quality of instruction at SJS. He said that American education methods were much more informal than methods in his country.

# Judoists, Netters Capture Crowns; Cindermen Bow

Spartan judoists, netters and freshmen baseballers saved the weekend for San Jose State, as the varsity and frosh track teams and the golf team suffered defeats at the hands of the Stanford Indians.

## Wright Sets Record

Despite Billy Jo Wright's new school record in the shot put, the Spartan cindermen were soundly rapped by a red-hot Stanford Indian squad, 86½-44½, Saturday on Spartan Field. Twelve of the Indians posted their best effort of the season Saturday.

San Jose's Wright put the shot 53 ft. 6-1/8 in. to surpass his own old mark of 52 ft. 5 in. Wright's new standard was one of four set Saturday.

Mickey Maramonte equaled his own school mark and set a new meet record for the 220-yard low hurdles with a 23.3 clocking. Stanford's Walt Garrett ran a 47.7 to set a new field and meet record in the 440 while teammate Keith Brownsfield snapped the old meet standard in the 220 with a 21.1.

Spartan hopes of at least a close meet were smashed when Ray Goodwin aggravated his groin injury on his first attempt in the high jump. His loss gave sweeps

in the broad jump and high jump to the Indians who also swept the 880.

## Darrah Takes Title

Led by Jack Darrah, who won the singles title, the Spartan tennis team posted ten points in the first annual tennis tournament for schools in the California Basketball Association to capture the team crown Saturday on the Baketo Park courts.

Darrah defeated COP's Rich Haley in the finals, 8-6, 6-2.

The Spartan doubles team of Joe Norton and Bob Bell advanced to the finals before bowing to Bob Clarkin and Hal Kopp of SC.

## Crawford Wins

Spartan Heavyweight Jack Crawford copped individual honors to pace the SJS team to top team honors in the Senior PAAU Judo tournament at the Palo Alto YMCA Sunday. The Spartans scored 14 to lead the Palo Alto YMCA with 14 and the San Jose Buddhists with 6.

Crawford was named outstanding judoists of the tourney after winning the heavyweight class. Teammates Mel Augustine and John Sepulveda scored, taking third in the 180-pound class and first in the 150-pound class, respectively.

## Giardina Scores

Ron Giardina, Welvin Stroud and Dick Herb accounted for all of the Spartababes firsts, as the Stanford Frosh thincads handed the SJS Frosh a 95-36 setback on the Angell Field oval.

Giardina won both sprints while Stroud won the mile and Herb captured the pole vault.

## Frosh Nine Splits

The Spartababe nine bounced back to a 15-11 victory over the Santa Clara Frosh Saturday, after bowing to Fremont High (Sunnyvale), 6-3. In the two games Pete Brady extended his hitting streak to 12 games.

## Rain Foils SJS Nine

After having been rained out of their game with the COP Tigers Saturday, the Spartan nine sets its sights on its return matches with Fresno State Friday and Sat-

urday in Fresno. The Bulldogs hold a 2-0 edge over the Spartans this season.

## Novice Wrestling Entries Available

Entry blanks for the intramural novice wrestling tournament are available in the Men's Gym office, according to Hugh Mumby, Spartan mat coach.

Students who have not won high school or college wrestling awards may enter the tourney. Competition will be in nine classes, 12-pounds, 130-pounds, 137-pounds, 147-pounds, 157-pounds, 171-pounds, 191-pounds and heavyweight. There is a 235-pound limit in the heavyweight class.

## Softball Teams Resume Action

Intramural softball play resumes today with teams in the National and International leagues seeing action for the first time.

In the National League Delta Sigma Phi meets Theta Chi at 4 p.m., and Kappa Tau takes on Sigma Alpha Epsilon at 5:15 on the east diamond. Delta Upsilon and Sigma Chi meet in the other National League game at 4 o'clock on the west diamond.

In the only International League game the Spartan Oriocci play the Music Department at 5:15 on the west diamond.

## Meetings

**Alpha Chi Epsilon:** Initiation of new members and convention reports tomorrow at 7:30 p.m. in Room 117.

**Freshman Class:** Meet today at 3:30 p.m. in Room 117. Nominations for Student Council representative.

**Hillel:** Gather tonight at the Student Y, 9th and San Antonio streets. Dancing and refreshments will follow meeting.

**Philosophy Club:** "The Place of Philosophy in General Education" tomorrow at 7:30 p.m. in the Engineering auditorium.

**Spartan Spinners:** Folk dancing tomorrow at 8 p.m. in YMCA basement.

**WAA Bowling:** Discontinued for remainder of quarter.

# Golfers Bow to Stanford, Meet Santa Clara Today

Spartan golfers go after their second win of the season over the Santa Clara Broncos today on the San Jose Country Club course, after having been edged by the Stanford Indians, 14-13, Friday on the Stanford links.

The Spartans came within one putt of a victory Friday, losing when Dave Diffenderfer sank a 25-footer on the 18th hole for a birdie to give himself and Ray Silliman a best-ball victory over SJS' Charles Leider and Glenn Dooley.

Phil Getchell of Stanford shot a 70 to take medalist honors while Don Glass' 75 paced the Spartans. Glass defeated Fred Brown, 3-0, in the No. 1 match.

Ernie George shot a 76 for San Jose while teammates Gene Brehaut and Leider carded 78's.

Earlier in the season, Stanford handed the San Jose linksmen a 17½-9½ setback on the San Jose Country Club links.

Today's battle with the Broncos will be a return go for Coach Walt McPherson's golfers. In the first meeting of the two teams on the Broncos' home course, La Rinconada Country Club, SJS posted a 15½-11½ decision.

The results:  
Don Glass, 75, (SJS); def. Fred Brown

78, (S) 3-0; Gene Brehaut, 78 (SJS) def. Chuck Van Linge, 81 (S); 2-1; Glass and Brehaut (SJS) def. Brown and Van Linge (S) 2-1.

Ernie George, 76 (SJS), def. Warren Dailey, 79 (S), 2½-1½; Phil Getchell, 70, (S) def. Loren Mattson, 79 (SJS) 2½-½; Dailey and Getchell (S) def. George and Mattson (SJS), 3-0.

Ray Silliman, 77 (S), def. Leider, 78 (SJS), 2½-1½; Glenn Dooley, 79 (SJS) def. Dave Diffenderfer, 80 (S), 2-1; Silliman and Diffenderfer (S) def. Leider and Dooley (SJS) 2½-1½.

## Religious Council Fights Housing Discrimination

In an effort to combat racial discrimination in the SJS housing situation, the College Religious Council plans preparation of a list of non-discriminatory householders, according to Sonia Appel, chairman. The list will be available next semester in the Housing Office along with a list of recommended housing.

Survey of recommended housing in an effort to find the house-

holders' views on the question of discrimination, will get underway Saturday. In addition to the campus religion groups comprising the Council, the group plans to enlist the aid of sororities, fraternities and other campus living groups in compilation of the poll, Miss Appel said.

Two training sessions, Thursday at 2:30 p.m. and Monday at 3:30 p.m. will be held in the Student Y to brief individuals taking the survey on procedure to be followed.

All students interested in aiding in the canvassing are urged to attend one of the training sessions, Miss Appel said. Prospective pollsters must attend.

A survey has just been completed by the Religious Council, on SJS student opinion on living with minority groups. Approximately 1200 questionnaires have been completed. Results have not yet been tabulated.

## Alpha Eta Rho Will Sponsor Aviation Meet.

The Sixth Annual Pacific Coast Intercollegiate air meet will be held at Reid's Hillview Airport Saturday under sponsorship of Alpha Eta Rho, international aviation fraternity. Miss Lee Daum, chairman for the air meet said Friday four airlines have agreed to sponsor trophies and 11 schools have replied to invitations, Miss Daum said.

The Flying 20 Club probably will fly for SJS but anyone who can fly is eligible, Miss Daum said.
